

The background of the slide features a light blue network diagram. It consists of a central hub-and-spoke pattern of nodes connected by lines, with several additional nodes branching off. Surrounding this central network are various network-related icons: a wireless router with two antennas in the top left; a small wireless access point in the middle left; a desktop computer with a monitor and a wireless signal icon in the bottom right; a network switch with multiple ports in the bottom center; and a network switch with five ports in the bottom left. The overall theme is network technology.

Qu'est-ce qu'un
multicast ?

The background features a light blue network diagram with nodes (circles) and connecting lines. Various network-related icons are scattered around: a wireless router at the top left, a small wireless device in the middle left, a desktop computer with a wireless signal icon at the middle right, a network switch at the bottom center, and a patch panel at the bottom left. The text is centered over the network diagram.

Une diffusion à un groupe
de machines d'un réseau

A light blue background featuring a network diagram with nodes and connecting lines. Various network-related icons are scattered around: a wireless router at the top left, a small wireless device in the middle left, a network switch at the bottom left, a desktop computer with a wireless signal icon at the bottom right, and a server rack at the bottom center. The text "Qu'est-ce qu'un broadcast ?" is centered in the middle of the image.

Qu'est-ce qu'un
broadcast ?

The background features a light blue network diagram with nodes and connecting lines. Various network-related icons are scattered around: a wireless router at the top left, a small wireless device in the middle left, a network switch at the bottom center, a desktop monitor with a wireless signal icon at the bottom right, and a patch panel at the bottom left. The central text is overlaid on this network structure.

Une diffusion à toutes
les machines d'un réseau

The background features a light blue network diagram with various nodes and connecting lines. Several network-related icons are scattered around: a wireless router at the top left, a small wireless access point in the middle left, a network switch at the bottom center, a desktop computer with a wireless signal icon at the bottom right, and a patch panel at the bottom left. The text is centered over the network diagram.

Quel CIDR faut-il pour
1000 hôtes minimum ?

The background features a light blue network diagram with various nodes and connecting lines. Several network hardware icons are scattered around: a wireless router at the top left, a small square device in the middle left, a modem with an upward arrow at the bottom left, a multi-port switch at the bottom center, a desktop monitor with a Wi-Fi symbol at the bottom right, and another multi-port switch at the very bottom left. The text is centered over the network lines.

Quel est le sous-réseau
de 198.51.100.147/27 ?

A light blue background featuring a network diagram with various nodes and connecting lines. The nodes include a wireless router at the top left, a small wireless device in the middle left, a desktop computer with a wireless signal icon at the bottom right, a network switch at the bottom center, and a patch panel at the bottom left. The diagram is composed of blue lines and dots, with some larger circular nodes and some triangular shapes.

198.51.100.128/27

The background of the slide features a light blue network diagram. It includes a central hub-and-spoke network structure with several nodes connected by lines. Surrounding this central network are various network-related icons: a wireless router with two antennas in the top left, a small wireless access point in the middle left, a desktop computer with a monitor and keyboard in the bottom right, a server rack with multiple bays in the bottom center, and a network switch with several ports in the bottom left. There are also some abstract geometric shapes like triangles and circles scattered throughout the background.
