About

Senior Network & Security Architect with over 30 years of experience designing and securing critical infrastructure.

Experience

Network architect

Framatome | May 2026 – Present

- Design of network and security solutions
- Site refresh/upgrades
- Review and writing of technical architecture documents

Network architect

Fiducial | Oct 2022 – Apr 2026

- Full-scale data center migration
- Core routing protocol redesign
- Post-acquisition network integrations

Network engineer

FedEx | Jan 2020 – Sept 2022

- Designed and executed nationwide network migration
- Standardized deployment processes for enterprise scalability
- Performed proactive network maintenance and troubleshooting

Cybersecurity engineer

bioMérieux | Jan 2019 – Dec 2019

- Led penetration testing and risk assessments for industrial control systems
- Developed and deployed security patches for legacy medical devices
- Executed hardening baselines for critical lab equipment

Network architect

Jtekt Europe | Jan 2018 – Dec 2018

- Designed and led firewall and proxy migration
- Restructured and standardized global network operations

Network architect

bioMérieux | Jan 2015 – Dec 2017

- Designed and deployed networks
- Architected Lyon metropolitan network with GIX interconnection
- Secured Shanghai call-center infrastructure
- Implemented 20+ global IPSEC tunnels
- Network security service owner for global operations

Network and transformation project lead

Howden | Jan 2014 – Dec 2014

- Directed network infrastructure refresh program
- Enterprise WiFi network implementation
- Designed Windows 7 deployment solution

Network engineer

bioMérieux | Jan 2011 – Dec 2013

- Network management and installation
- Network refresh and migration projects
- Implementation of network monitoring solutions

Systems & network engineer

Howden | Jan 2010 – Dec 2010

- Provided operational support for business units
- Evaluated VMware virtualization solutions
- Installed and optimized SMTP mail servers

Quality analyst

Sanofi Pasteur | Jan 2008 – Dec 2009

- Handled and analyzed quality reports and on-call operations
- Developed quality management applications
- Created computer and database programs

Security project manager

Casino IT | Jan 2007 – Dec 2007

- Authored and directed RFP for distributed network segmentation across 350 sites
- Vendor selection and contract implementation for security solution

IT account manager

Adecco IT | Jan 2006 – Dec 2006

- Handled strategic IT accounts
- Oversaw IT production services
- Applied performance metrics methodologies and client reporting
- Directed major incident crisis management

Global support manager

Adecco IT | Jan 2005 – Dec 2005

- Led international support operations for technical and ERP systems
- Directed major incident crisis management
- Deployed standardized support tools across 30 business units
- Developed and applied SOX compliance procedures

Support manager, IP architect

Completel | Jan 2000 – Dec 2004

- Supervised and maintained WAN infrastructure
- Handled abuse management
- Led multiple network monitoring and surveillance projects
- Installed and optimized large-scale mail systems
- Supervised datacenter migration initiatives

Network administrator

Access IT | Jan 1998 – Dec 1998

- Installed and managed local area networks
- Enforced backup systems
- Handled incident management

IT Manager

Antolin IGA | Jan 1997 – Dec 1997

- Oversaw IT service operations
- Oversaw LAN migration and installation projects
- Implemented SNA Server solutions

IT MANAGER

Notre Dame University of Cotabato-City | Sept 1994 – Dec 1996

- Directed IT service operations
- Redesigned and programmed an ERP system
- Conducted academic instruction

Education

Computer graduate — Software programming

IRAM, Mons (Belgium) | Sept 1989 – Jun 1993

Skills

Expert — Network & Routing

Cisco · Aruba · BGP · OSPF · EIGRP

Advanced — Firewalling

Palo Alto · Fortinet · Checkpoint

Expert — Operating system

Linux · Apache · Mysql

Expert — Coding

Python · C · PHP · Powershell

Certificates

Cisco CCNP 300-135 Troubleshooting

Cisco | May 2015

Cisco CCNP 300-115 Switch

Cisco | Apr 2015

Cisco CCNP 642-902 Route

Cisco | Dec 2014

Cisco CCNA 120-200 Routing and Switching

Cisco | Nov 2014

Cisco CCNA 640-802 Routing and Switching

Cisco | May 2013

ITIL Fondation V3

Global Knowledge | Apr 2014

VCP-310 VMware

VMWare | Mar 2010

MCP-058 Networking essential

Microsoft | Sept 1998

MCP-059 TCP/IP

Microsoft | Nov 1998

MCP-067 Administrating NT Server

Microsoft | May 1998
